

Say NO to the Castle House Event Center!

I am opposed to granting a permit for the Castle House, at 4286 Bonny Doon Road, parcel number 063-082-13, to be used as a commercial venue for weddings or other receptions. This kind of commercial establishment doesn't belong in the middle of a residentially zoned neighborhood. Neighbors trying to enjoy their own properties shouldn't be subjected to noise, traffic and intrusions by partiers. Allowing this commercial use reduces the value of neighbors' properties, and sets a precedent for allowing commercial event centers in Bonny Doon's quiet neighborhoods.
